WORK DONE

Welcome to IDESTAND:

30 years in the sector have made us grow with one main objective, to offer our client the most complete service. With a wide range of possibilities that we put within reach of the exhibitor.

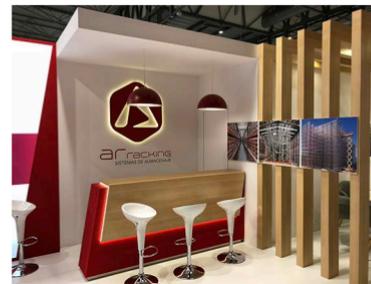

PROFESSIONALS:

Highly qualified human team in design, production and assembly for the realization of your stand. We believe that our main asset is people and that is why we put them in the focus as the main engine of excellence in our work.

INFRASTRUCTURE:

1,500 m2 of industrial buildings for production.
200 m2 of offices for design and management.
1,000 m2 of warehousing and logistics.
Fleet of own transport and commercial vehicles.
Industrial collaboration at national and international level under our strict supervision.

OBJECTIVE:

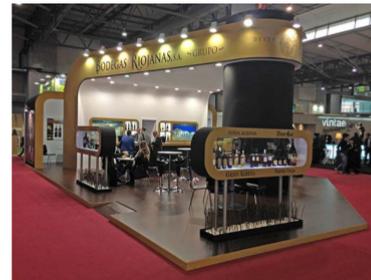

Advancement and innovation in our stands, to offer the best service, more impactful and resolute designs, new forms of construction, respecting the client's ideas and budget.

COMMITMENT:

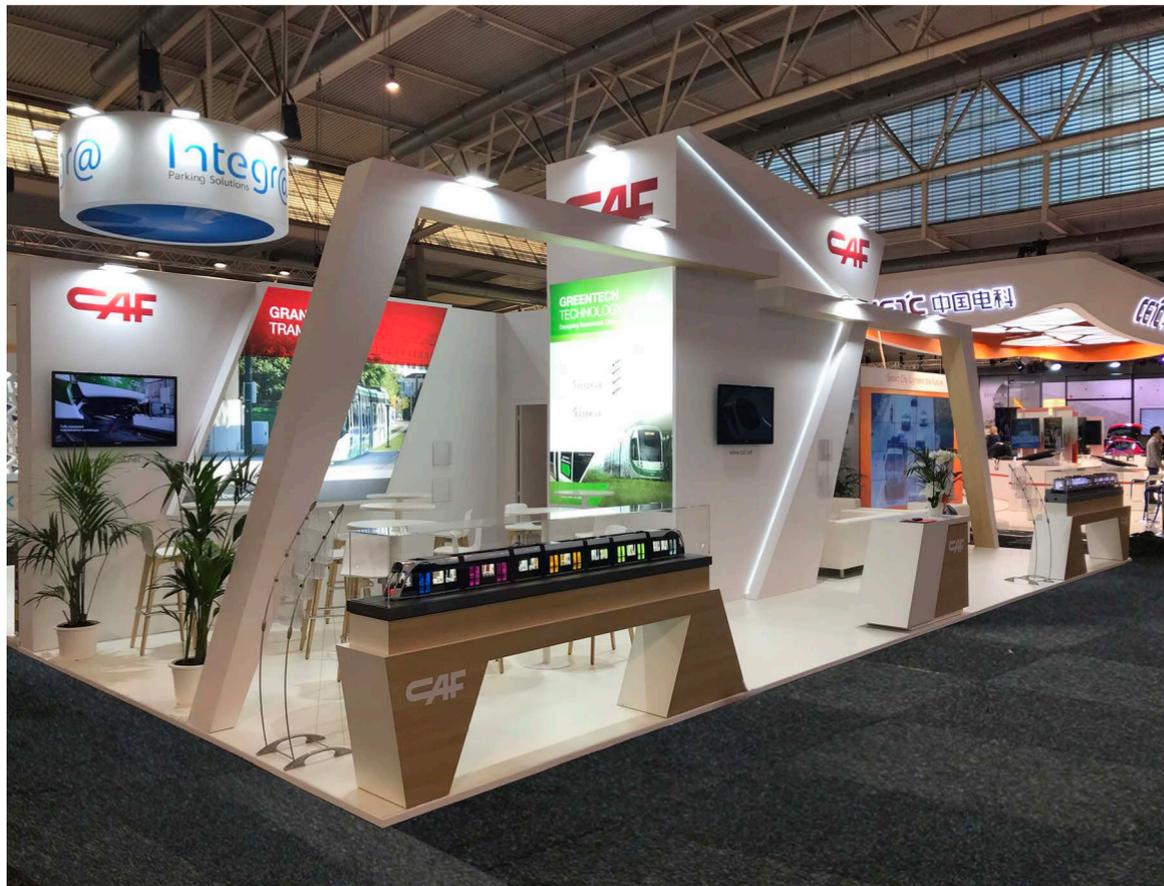

The interest and attention we dedicate to our clients are our priority. We work daily to be able to offer the best of us to your company, from the creation to the realization of your stand.

SUSTAINABILITY:

We deliver digitally the designs, printing only what is necessary. We use recycled, recyclable or environmentally friendly materials, avoiding the use of toxic or dangerous ones. We optimize transportation and assembly to reduce our carbon footprint. We recycle the materials used in approved landfills.

EXCELLENCE VALUE FOR MONEY:

We offer top quality and performance with respect to our competitors at an economical price. We are manufacturers, with our own workshops, thus reducing intermediaries and derived costs.

SATISFACTION:

The satisfaction of our customers is the best reward for the work done. Achieving their goal or improving it, opens the way for us in future collaborations, giving us the opportunity to move forward and expand our services.

RESPONSE:

In case of variations and unforeseen events we always offer a quick and agile response. Before and during the fair. 24H service.

RESPONSIBILITY:

The satisfaction of our customers is the most important thing. Therefore, we always offer solutions and alternatives to their needs.

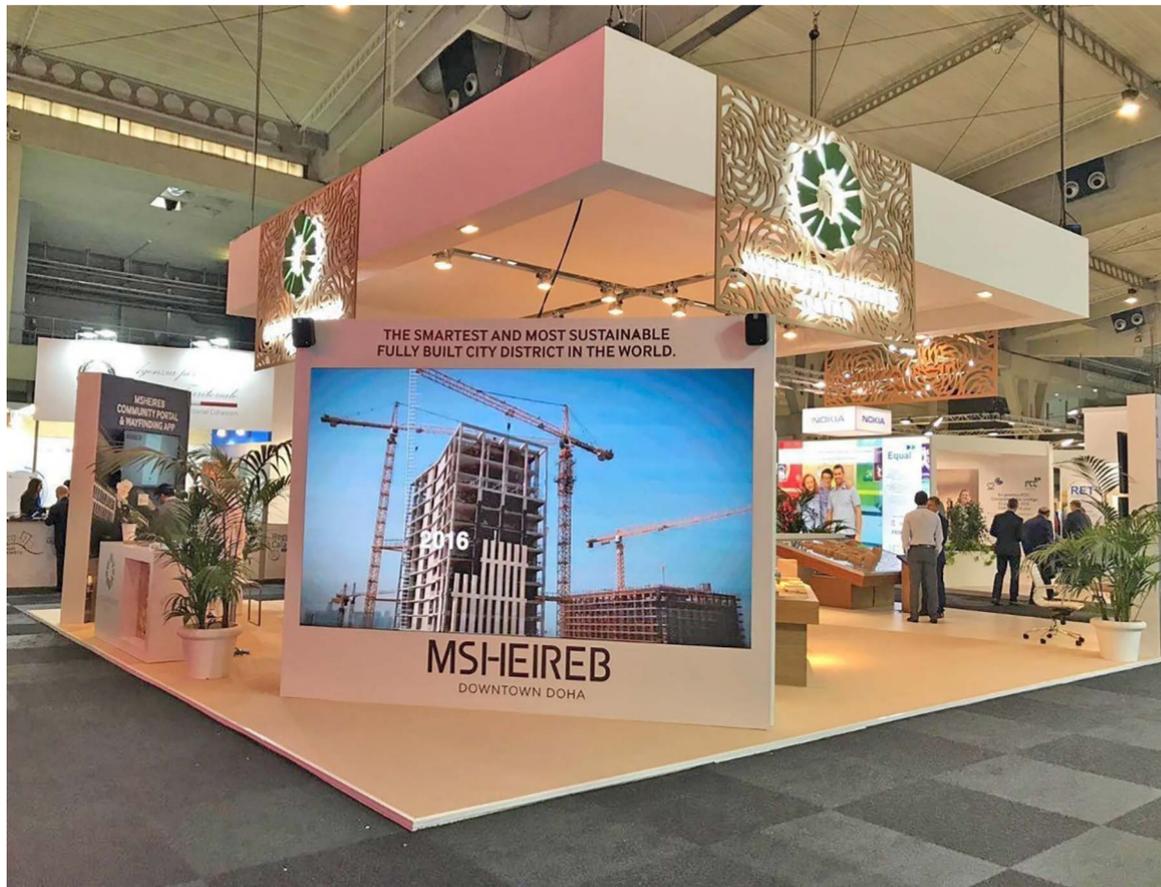

ORGANIZATION AND COORDINATION OF SERVICES:
We act as the sole interlocutor, coordinating all the industrialists involved in the realization of the stand.

Carpentry / Painting / Electricity / Signage / Furniture / Audiovisuals / Locksmithing / Upholstery / Gardening / Cleaning / Hostesses / Catering...etc.

CONSULTANCY:

We advise, study and analyze the client's needs, conceptualizing and developing the idea. We deliver plans, 3D recreations, together with a descriptive technical memory and final price without surprises and without obligation.

PRODUCTION:

We manufacture, mechanize and build all the elements of the stand in the workshop to ensure a fast and efficient assembly at the fair.

ASSEMBLY AND DISASSEMBLY:

We assemble all the elements produced in the actual space, synchronizing the assembly times of the different industrialists in order to achieve the best result.

We disassemble all the elements that make up the stand to leave the fair space clean and expeditious.

TURNKEY DELIVERY:

We offer the possibility of making you delivery of your stand up to 24h before the inauguration as long as the fair calendar allows it.

DESIGN STANDS:

Do you believe that a picture is worth a thousand words? Yes, we do.

We create unique and customized designs that will make the most of your participation in the fair, differentiating you from your competition. Your customized booth. Quality characterizes a creative booth.

Your ideas and ours, together with your needs, will lead us to elaborate the best image for your company.

INTERIOR DESIGN:

We create corporate spaces that communicate.

Unique environments adapted to the dimensions and purpose of the space.

CONGRESSES AND EVENTS:

We coordinate and create the right space for the meeting of professionals from the same sector or company.

SHOWROOMS:

The ideal framework for the exhibition of the product, bringing it closer to the customer to touch it, see it and feel it.

COMMERCIAL PREMISES AND OFFICES:

We study, design and rehabilitate spaces for commerce, taking into account the client's needs.

Thank You !
